

“Round the Cans” Skills 2018: Open Training

There will be 2 open training weekends run jointly with the British Keelboat Academy on the **13/14th January 2018 and the 24/25th February 2018**. Both events will be run from **Port Solent**.

Spaces are limited to 8 open teams per weekend.

This event is for over 18 sailors only. Teams should consist of a crew of 8 to 11 sailors, although only 8 can be accommodated on board (so would need to find their own accommodation elsewhere).

This training is aimed at sailors looking to gain experience in bigger boat sailing and for any university sailor looking to compete in the BUCS Yachting Championships.

BUSA will be creating its own team to attend this training (subject to numbers), of individual university sailors who do not have a team to bring to this event. This is also aimed at sailors who do not quite meet the required standard to skipper for the BUCS Yachting championships. All fees and damage deposit will be split equally. BUSA will provide the qualified skipper (required to charter). To enter the BUSA team, please complete the individual entry form and send to busa@rya.org.uk

The training will be run by RYA coaches and specialist.

Costs: £650 per team, per weekend, plus £3000 damage deposit (per incident). Limited accommodation is available on board the yachts.

To Enter: Please complete the RTC entry form and Sunsail Charter form and send to keelboatracing@rya.org.uk.
