

ONBOARD

Getting young people into sailing and windsurfing ..

OnBoard is about local clubs teaching more children to sail and about keeping them involved in sailing, for life.

Providing more windsurfing and sailing activity to more children will undoubtedly require more people to get involved.

These volunteers are key to the success of OnBoard.

ONBOARD VOLUNTEERS

Volunteering is a great way to ...

- Have fun
- Meet new people
- Support your local sailing club
- Get on the water (if you want to)
- Learn and develop new skills.
- Obtain qualifications (if you want to)
- Make a difference
- Share young peoples enjoyment
- Contribute to the success of OnBoard

There are many ways to get involved

A successful sailing / windsurfing session relies on a range of people with a wide selection of skills and experience.

You do not need to be a sailor, to play a crucial role.

Each club is different, but most will have a variety of opportunities just waiting for you.

As a Volunteer you could ...

- Help out in the galley (kitchen)
- Assist with moving boats / trolleys
- Get kids ready to go on the water
- Help to maintain the boats / kit
- Assist with admin / paperwork
- Get involved in running the club

As a Volunteer you will ...

- Discuss how you can get involved with someone at the club
- Decide how much time you give
- Receive support from the club
- Be shown how to use equipment (as necessary)
- Have opportunities to get out on the water if you want to.

What next?

Contact your local club to find out how you can get involved.
