- Minimum age 16 (no candidates will be accepted for training under this age)
- Candidates should be water confident and able to sign the RYA health declaration, confirming they are not suffering from any physical or mental impairment which has an adverse effect on their ability to properly discharge their duty of care as an instructor.

- [RYA Powerboat Level 2 certificate](#)

Full details of eligibility and training requirements are in the RYA publication [G14 Dinghy Coaching Handbook and Logbook](#).

The Instructor Pre-entry Assessment

The assessment is intended to confirm that the candidate has the sailing ability and background knowledge required of an instructor and will be carried out by an RYA Coach/Assessor. The assessment will ideally be conducted in a minimum wind speed of 11 knots, using a boat of the candidate's choice with a Portsmouth Yardstick of less than 1230. Full details can be found in the [G14 Dinghy Coaching Handbook and Logbook](#).

During the assessment the candidate will be asked to complete the following:

- a) Sail around a triangular course of 100m (minimum) legs to the best of his ability using all the boat's normal equipment, including spinnaker if carried.
- b) Sail a tight circular course around a stationary boat, making only one tack and one gybe.
- c) Sail a 'follow my leader' course behind another boat. The course may include all points of sailing and may be behind another sailing dinghy or behind a powered boat.
- d) Pick up a man overboard dummy; the boat to be stopped and more than one attempt should not be needed.

You may also be asked to complete some of the following:

- e) Sail without a rudder, or with the tiller on a loose elastic around a triangular course. You will be expected to make good progress around the course in a seamanlike manner (not applicable to keelboat or multihull instructor candidates).
- f) Lee shore landing and departure
- g) Anchor or pick up a mooring - wind against tide (if appropriate)
- h) Come along-side a moored boat - wind against tide (if appropriate)
- i) Recover a capsized dinghy and sail away (not keelboats)

During the assessment, the Coach/Assessor will be judging the candidate's preparation for and execution of each of the tasks, including his/her awareness of others.

Candidates should be able to complete the required tasks sailings at all times with an awareness of the 'five essentials', and confirming they can sail in a controlled and confident manner, showing consideration for preparation, communication, approach and execution, at all times.

The pre-entry assessment must be completed before attending the Instructor course. If this has proved impossible due to weather conditions, it may in certain circumstances be completed during the first part of the Instructor course by arrangement with the Training Centre and course Coach/Assessor. No final Instructor assessment will be made of candidates who have not successfully completed the pre-entry test.

- [RYA Safe & Fun](#) safeguarding certificate and completed pre-course worksheet
