

2022 RYA BOATS FOR HIRE

London and South East Hire Fleets

Expand your fleets to give youngsters a chance to try different classes, race training, fun weekends or even Club Regattas through the YTF (Youth Training Fund).

Try flying a spinnaker in the Fevas which come with training sails and mylar racing mains. The Fevas are hosted by Tamesis Club in Teddington and East Kent, location to be announced in early 2022.

If the Fevas are too racy, young sailors can try the single-handed Teras, which are hosted at Littleton SC and are transported on a road trailer designed to take 6 boats at a time.

Lastly we have the forever reliable Optibats which lead to the Optimist you see all over the world. Two trailers loaded up with 6 boats each are hosted at Maidenhead and Medway YC.
