

# British Youth Sailing Regional Training Group Regions

Sailors looking to apply for a RTG, should apply for and sail in the indicator series of the RTG that either:

- Falls within the region of their primary place of residence, or
- Falls within the region of their primary Sailing Club.

If a sailor's primary place of residence and primary Sailing Club fall within different regions, then they may initially choose which RTG to apply for and therefore which indicator series to participate in.

Once a sailor has been selected for a RTG they will not be permitted to switch to another region without the express permission of their Regional Performance Manager. Sailors are only likely to be given permission to switch to a new region due to a family's change in circumstance, for example moving to a new house.

## Which Counties are in which region:

### **North (This is the RYA's North West & North Eastern Regions)**
