

Notice of Selection

RYA RS Feva XL Zone Squad 2019-2020

Introduction

The RYA British Youth Sailing Pathway is a performance programme to develop and retain racing sailors who can represent the sport at the highest levels. The Zone Squads are the entry point into the programme. The Zone Squads are organized into four regions: South Zone, South West Zone, East and London & South East Zones, North and Midlands Zones. The RS Feva XL is one of several RYA Recognised classes of boat used by the Zone Squads.

Normally up to 12 boat places will be offered for the RYA RS Feva XL Zone Squad in each of the regions (i.e. a total of 48 boats and 96 sailors), however this number may vary according to the overall ability of competitors taking part in the indicator series and not simply the relative abilities of such competitors. Normally for each of the regions within the RYA RS Feva XL Zone Squad we would aim to award up to 7 boat places to boats where the helm is in the U14 age group and up to 2 boat places to boats where the helm is in the U13 age group based on ranking in the indicator events. Potentially up to a further 3 boat places in each region will be offered to crews who in the opinion of the Selection Committee have demonstrated the best prospects of progressing within the RYA Youth British Youth Sailing Pathway Programme. Actual squad size and whether in fact four regional squads will be established for the RS Feva XL will be dependent on the strength and depth of the sailors putting themselves forward for selection.

Guidelines for composition of the squad

At Zone Squad level the RYA aspires to select an equal proportion of boys and girls into the Zone Squads if the standard allows.

The selectors expect sailors to make every endeavour to attend the indicator events in order that the selectors can make objective decisions having seen sailors compete against each other at the key events.

Support

Sailors selected to be part of the RYA RS Feva XL Zone Squad will normally receive the following support:

- Invitation to an off-the-water training day where sailors are introduced to the squad coaches, the RYA training pathway is explained and briefings are given on the physiology of training
- Invitation to six subsidised race training weekends
- Opportunity to access remote coaching support from the UK Zone Squad coaches
- Opportunity to purchase discounted Zone Squad clothing

Fees

The RYA requires sailors to contribute towards the cost of all coaching programmes from Junior to Olympic level. The Zone/Home Country Squads are very heavily subsidized by the RYA and offer exceptional value for money in terms of the quality of coaching and coach to sailor ratios. The fees cover the venue costs, RIB hire, coaching and administration across all the weekends. The fees for the 2019-2020 programme are £660 per boat:

Eligibility

To be eligible for selection, crews (i.e. helm and crew) should be aged under 14 on 31 December 2019. Both crew members must be eligible to; should hold a British passport, and represent Great Britain at International Championships.

RYA Selectors may, in exceptional circumstances, decide to invite older sailors into a Zone Squad; sailors falling into this category are encouraged to apply.

All selected sailors will be required to be members of the RYA.

Sailors may not accept an RS Feva XL Zone Squad place if they have accepted a place in another RYA squad

Selection Criteria and Procedure

Normally up to 9 boat places in each of the zone squads will be based on rankings achieved for each of the two age groups (U 14 and U 13) in the indicator events. (To meet an age criteria group both sailors need to be under the specified age category) Up to a further three boat places (known as "discretionary places") in each of the four regional squads may be based on other factors (see below).

Indicator Event

The following event will be used as an indicator for Zone Squad places:

Indicator Event						
	South	SW	East	London & SE	North	Midlands
BYS Regional Junior Championships	28/29 Sep WPNSA	28/29 Sep WPNSA	28/29 Sep Burnham Clubs	28/29 Sep Datchet Water SC	28/29 Sep Derwent Reservoir SC	28/29 Sep Draycote Water SC

The RYA reserve the right to add further indicator events if the selectors deem it necessary.

Scoring

The series will be scored by adding together the individual race scores from each indicator event. The following discard system will be used to allow for sailor inconsistency and varying conditions.

- 10, 11 or 12 races (4 discards); 8 or 9 races (3 discards); 5, 6 or 7 races (2 discards); 3 or 4 races (1 discard); 2 or less races (0 discards)

If in the view of the selectors, any of the races are deemed unsatisfactory, then the level of subjective/ discretionary selection may be increased.

Discretionary Places

Discretionary places may be offered by the Selection Committee to boats where the crew:

- In their opinion have demonstrated the best prospects of progressing within the RYA British Youth Sailing Pathway Programme
- Fall outside the age criteria
- Fail to achieve selection based on rankings in the indicator events , possibly (but not exclusively) because they are new to the class, injured or could not attend all indicator events

When allocating discretionary places the selection committee may take into consideration any factors they deem appropriate

Exceptional Circumstances/failure to attend Indicator events

The selectors expect sailors to attend the indicator events in order that they can make objective decisions having seen sailors compete against each other.

Where this is impossible sailors must notify their RYA High Performance Manager in writing, giving the reason why and seek dispensation not to attend an event. Dispensation will only be granted (retrospectively) in exceptional circumstances. Some examples of **exceptional circumstances** are: illness or injury which precludes sailing (medical diagnosis should be provided), bereavement or non-transferable academic commitments. Gear failure, breakage or the actions of another competitor are not considered exceptional, where appropriate, sailors should seek retribution via the normal processes of the racing rules of sailing.

Selection Practice

For all squad places Selectors therefore have the discretion to determine

- The size of the squad, taking into account the target size
- Which of the criteria to take into account
- Who to select

In making their decision and exercising their discretions, Selectors are expected to:

- Use their expertise and experience
- Rely on their observation of the competitors, together with the observations made by other individuals, such as squad coaches and class representatives

Selection Committee

The Selection Committee shall comprise of the RYA High Performance Manager, the RYA Zone Lead Coach or Assistant Coach and the relevant Class Association Representative or selected representatives (where appropriate).

The RYA Youth Racing Manager may be in attendance as an independent observer

Application for Zone Squads

Sailors wishing to be considered for a Zone Squad place should complete a Zone Squad application. Applications should be completed by the last selection event online at <http://www.rya.org.uk/racing-squads>.

Rules concerning Zone Squad application

Sailors must apply for, and sail in the indicator series of the Zone Squad that either:

- a. Falls within the region/zone of their primary place of residence, or
- b. Falls within the region of their primary sailing club.

If a sailor's primary place of residence, and primary sailing club fall within different zones then he/she may initially choose which Zone Squad to apply for and therefore which indicator series to participate in. **However, once a sailor has applied for a particular squad, sailors are not able to change zone unless their primary place of residence has changed.** To find out which zone your club or residence lies in please see:-

<http://www.rya.org.uk/racing/youthjunior/squads/zone/Pages/Selection.aspx>

If there are other personal reasons why it may be more convenient for a sailor to be a member of a different zone squad to that described in point a.) or b.), it should be discussed with their RYA High Performance Manager. In exceptional circumstances, allowances may be made.

If you are still unsure of how this applies to your own personal circumstances, please contact the relevant RYA High Performance Manager

Notification

Applicants will be notified in writing by email as soon as is practically possible after completion of the final indicator event, usually within 14 days.

Appeals

By entering the selection process, sailors agree that the grounds for appeal are limited to:

- I. Failure to follow due process
- II. Bias/undue influence
- III. Some other misconduct

The criteria for appeal may not include any alleged error of judgement of the selectors. Should an appeal still arise, then it should be submitted in writing to the Racing Manager within 5 days of the selection being announced. The full Appeals Policy document is available on request from the RYA Racing Manager, Racing Operations Manager or email racing@rya.org.uk
