RYA Windsurfer Zone Squad 2019-2020

Introduction

The RYA British Youth Sailing Pathway is a performance programme to develop and retain racing sailors who can represent the sport at the highest levels. The Windsurfing Zone Squads are the entry point into the programme. The Zone Squads are organized into five regional squads comprising of the following:- South Zone, South West Zone, East/London & South East Zones, North Zone and the Midlands Zone. The Bic Techno 293 OD Board is the RYA Recognised Junior board used by the Zone Squads.

Normally up to 12 places will be offered for the RYA Windsurf Zone Squad in each of the five regions (i.e. a total of 60 windsurfers), however this number may vary according to the overall ability of competitors taking part in the indicator series and not simply the relative abilities of such competitors. Normally for each of the RYA Windsurf Zone Squads we would aim to award places to windsurfers taking a cross section of windsurfers aged from U13 through to U16. Potentially further places in each region will be offered to windsurfers who in the opinion of the Selection Committee have demonstrated the best prospects of progressing within the RYA British Youth Sailing Pathway Programme. Actual squad size will be dependent on the strength and depth of the windsurfers putting themselves forward for selection.

Where we have a large number of sailors suitable for selection it may be necessary to split the squad in to two distinct separate training groups which maybe done by zone to facilitate local training. This would ensure manageable training group numbers to assist the sailor's development, create a better performance environment and give us a wider variety of venues to use. This would consist of some training in tandem at separate venues and some run as combined training at the same venue. Squad splits would be based on the sailor's selection ranking and individual's needs.

Guidelines for composition of the squad

At Zone Squad level the RYA aspires to select an equal proportion of boys and girls into the Zone Squads if the standard allows.

The selectors expect windsurfers to make every endeavour to attend the indicator events in order that the selectors can make objective decisions having seen windsurfers compete against each other at the key events.

Support

Windsurfers selected to be part of the RYA Windsurf Zone Squad will normally receive the following support:

- Invitation to an off-the-water training day where windsurfers are introduced to the squad coaches, the RYA training pathway is explained and briefings are given on the physiology of training
- Invitation to five subsidised race training weekends and one residential 3 day Easter Camp
- Opportunity to access remote coaching support from the UK Zone Squad coaches
- Opportunity to purchase discounted Zone Squad clothing

Fees

The RYA requires sailors to contribute towards the cost of all coaching programmes from Junior to Olympic level. The Zone/Home Country Squads are very heavily subsidized by the RYA and offer exceptional value for money in terms of the quality of coaching and coach to sailor ratios. The fees cover the venue costs, RIB hire, coaching and administration across all the weekends. The fees for the 2019-2020 programme are £570 per sailor (including Easter Camp)

Eligibility

To be eligible for selection, windsurfers should be aged under 16 on 31 December 2019. Applicants should be eligible to; hold a British passport, and represent Great Britain at International Championships.

RYA Selectors may, in exceptional circumstances, decide to invite older sailors into a Zone Squad.

All selected sailors will be required to be members of the RYA.

Sailors may not accept a RYA Windsurf Zone Squad place if they have accepted a place in another RYA squad

Indicator Events

The following events will be used as indicators for Zone Squad places:

- The BYS Regional Junior Championships (Primary Selection event)
- The National Windsurfing Championships

Selection Criteria and Procedure

Windsurfing Zone Squad places will be allocated on a discretionary basis by the Selection Committee, who will consider any factors they deem relevant.

Exceptional Circumstances/failure to attend Indicator events

The selectors expect sailors to attend the primary selection event and at least one of the secondary events in order that they can make objective decisions having seen sailors compete against each other.

Where this is impossible sailors must notify their RYA High Performance Manager in writing, giving the reason why and seek dispensation not to attend an event. Dispensation will only be granted (retrospectively) in exceptional circumstances. Some examples of **exceptional circumstances** are: illness or injury which precludes sailing (medical diagnosis should be provided), bereavement or non-transferable academic commitments. Gear failure, breakage or the actions of another competitor are not considered exceptional, where appropriate, sailors should seek retribution via the normal processes of the racing rules of sailing.

Selection Practice

For all squad places Selectors therefore have the discretion to determine

- The size of the squad, taking into account the target size
- Which of the criteria to take into account
- Who to select

In making their decision and exercising their discretions Selectors are expected to:

- Use their expertise and experience
- Rely on their observation of the competitors, together with the observations made by other individuals, such as squad coaches and class representatives

Selection Committee

The Selection Committee shall comprise of the RYA High Performance Manager, the RYA Zone Lead Coach or Assistant Coach and the relevant Class Association Representative or selected representatives (where appropriate).

The RYA Youth Racing Manager may be in attendance as an independent observer

Application for Zone Squads

Sailors wishing to be considered for a Zone Squad place should complete a Zone Squad application. Applications should be completed by the last selection event online at <http://www.rya.org.uk/racing-squads>.

Rules concerning Zone Squad application

Sailors must apply for, and sail in the indicator series of the Zone Squad that either:

- a. Falls within the region/zone of their primary place of residence, or
- b. Falls within the region of their primary sailing club.

Notice of Selection RYA Windsurfer Zone Squad 2019-2020

If a sailor's primary place of residence, and primary sailing/windsurf club fall within different zones then he/she may initially choose which Zone Squad to apply for and therefore which indicator series to participate in. **However, once a sailor has applied for a particular squad, sailors are not able to change zone unless their primary place of residence has changed.** To find out which zone your club or residence lies in please see:-

<http://www.rya.org.uk/racing/youthjunior/squads/zone/Pages/Selection.aspx>

If there are other personal reasons why it may be more convenient for a sailor to be a member of a different Zone Squad to that described in point a.) or b.), it should be discussed with their RYA High Performance Manager. In exceptional circumstances, allowances may be made.

If you are still unsure of how this applies to your own personal circumstances, please contact the relevant RYA High Performance Manager

Notification

Applicants will be notified in writing by email as soon as is practically possible after completion of the final indicator event, usually within 14 days.

Appeals

By entering the selection process sailors agree that the grounds for appeal are limited to allegations of:

- I. Failure to follow due process
- II. Bias/undue influence
- III. Some other misconduct

The criteria for appeal may not include any alleged error of judgement of the selectors. Should an appeal still arise, then it should be submitted in writing to the Racing Manager within 5 days of the selection being announced. The full Appeals Policy document is available on request from the RYA Racing Manager, Racing Operations Manager or email racing@rya.org.uk

Home Countries
