Royal Yachting Association Cymru Wales AGM 2020

Royal Yachting Association Cymru Wales (RYACW) is pleased to announce that this year's AGM will be held on **Wednesday 25th November 2020**. Given the current COVID 19 situation, there will be no face-to-face gatherings, and the meeting will instead take place virtually, commencing at **1830 hrs**.

The meeting is expected to last for approximately 30 minutes. However, given that there is a limit on participants when conducting online meetings, we would be very grateful if you would please register your interest in advance. Further details, including links to the booking system and to the video conference itself, will be issued at the beginning of November.

To clarify: A nominated representative on behalf of a member is requested to attend the AGM, whilst the definition of a member of RYA Cymru Wales is an affiliated club, affiliated class association or affiliated organisation based in Wales, as defined in the Articles of Association.

The agenda and all the relevant reports will be posted on the RYA Cymru Wales website and sent out electronically to all members at least 21 days before the meeting.

If you require any further information, then please do not hesitate to contact us at:

Thank You
