

Royal Yachting Association (RYA) governing body endorsement requirements

This guidance is to be used for all Tier 2 and Tier 5 governing body endorsement requests made on or after the 1 April 2021.

Section 1: overview of governing body endorsements for Tier 2 (Sportsperson) and Tier 5 (Temporary Worker) Creative and Sporting categories of the points-based system

This page provides a brief explanation of what endorsement requirements apply in respect of the Tier 2 (Sportsperson) and/or Tier 5 (Temporary Worker) Creative and Sporting categories of the points-based system.

The Tier 2 (Sportsperson) category is for elite sportspeople and coaches who are internationally established at the highest level and whose employment will make a significant contribution to the development of their sport at the highest level in the UK, and who will base themselves in the UK; and the post cannot be filled by a suitable settled worker.

The Tier 5 (Temporary Worker) Creative and Sporting category is for sportspeople (and their entourage where appropriate) and coaches (who must be suitably qualified to fulfil the role in question) who are internationally established at the highest level in their sport, and/or will make a significant contribution to the development of their sport in the UK; and the post cannot be filled by a suitable settled worker.

The application process explained: migrants applying to come to the UK under either of the sporting categories above need to be sponsored by an organisation that has a sponsor licence under Tier 2 (Sportsperson) or Tier 5 (Temporary Worker) Creative and Sporting.

If you wish to sponsor such migrants, you must have a sponsor licence. Before you apply to the Home Office for a licence you must be endorsed by the **approved governing body** for your sport. This endorsement confirms to the Home Office that the application for a licence is from a genuine sports club (or equivalent) that has a legitimate requirement to bring migrants to the UK as sportspeople. Once licensed, you can assign certificates of sponsorship to a sportsperson or coach with a job offer that allows them to apply for leave to enter or remain in the UK. Each individual must also have a personal endorsement from the **approved governing body** for their sport before you assign the certificate of sponsorship.

An **approved governing body** is one specified in [Appendix M](#) of the Immigration Rules. Such a governing body must be recognised by one of the home country sports councils

Royal Yachting Association (RYA) governing body endorsement requirements

such as Sport England, and will have been approved by the Home Office before being included in [Appendix M](#) of the Immigration Rules.

Approved governing bodies will work within the Home Office '[Code of practice for sports governing bodies](#)' and must comply with any immigration regulations, UK legislation and the principles of the points-based system as detailed on the [GOV.UK](#) website.

Length of endorsement

Governing body endorsements should be issued for a period appropriate to the period of approval for sponsorship or the tier under which the migrant's application is being made, that is:

Type of application	Tier	Length of endorsement
Sponsor	Tier 2 (Sportsperson) and/or Tier 5 (Temporary Worker) Creative and Sporting	4 years from date of issue
Migrant	Tier 2 (Sportsperson)	For an initial maximum period of 3 years, with a further extension of a maximum period of 3 years. If the contract is for fewer than 3 years, it will be issued for the length of the contract.
Sponsor	Tier 5 (Temporary Worker) Creative and Sporting	For the length of the contract or up to a maximum of 12 months, whichever is the shorter period.

Change of employment

If a migrant is intending to change employer, their new employer must request a new governing body endorsement. The endorsement can be issued for the length of the contract or to the maximum period permitted within the category, whichever is the shorter. The new employer must assign a new certificate of sponsorship to the migrant to allow them to apply to the Home Office for new leave to remain. Leave to remain must be granted before the migrant can start work with the new employer.

Section 3: Endorsement Requests and Decisions

Endorsement requests will be considered by a panel comprising the RYA Chief Executive, Director of Racing and Finance Director.

Records of all endorsement decisions will be maintained by the Finance Director and made available to the Home Office on request.

Section 4: Dispute handling procedures

Where an application for a governing body endorsement as set out for Tier 2 (Sportsperson) & Tier 5 (Temporary Worker-Creative and Sporting) has been refused on the grounds that the individual fails to meet the published requirements, the sponsor may seek a review of the application. The sponsor will have 14 days to request such a review. In these cases the RYA will refer the sponsor's evidence to an independent panel as set out below.

Where possible the sponsor's supporting evidence will be sent to the panel in advance for their consideration in order to allow an informed decision. Sponsors should note that, in respect of any application, there will only be one panel available and the decision of the

Royal Yachting Association (RYA) governing body endorsement requirements

panel is final. Sponsors should therefore ensure that all evidence it wishes to present in support of its application is presented to the panel. If the sponsor has previously made an application that was unsuccessful at panel a further panel cannot be requested for the same individual during a calendar year unless their status changes and the individual meets the requirements whereby a new application can be submitted.

The Review

The request for a review may only be made by the sponsor for whom the governing body endorsement has been initially rejected by the RYA.

A review shall be commenced by the appellant lodging with the RYA Finance Director, a notice of appeal within 14 days of the decision appealed against. The notice of appeal shall

- i. set out details of the decision appealed against and, if the whole of the decision is not appealed against, identify that part of it which is appealed against;
- ii. set out in full the grounds of appeal and an appellant shall not be entitled to rely on any grounds of appeal not set out in the notice of appeal.

The review will be referred to a panel consisting of at least three non-executive directors of the RYA Board whose decision will be final.

The Decision

The panel will make a decision using the above criteria which shall be final and binding.
