

RYA APPROVED SAIL MEASURERS – MARCH 2019

RYA Sail Measurers are authorised to measure the sails of those classes that have adopted the World Sailing Sail Measurement Rules and, with the agreement of the RYA, have extended sail measurement authority to RYA Sail Measurers. The below are approved RYA Sail Measurers, as of 1 March 2019. A list of those classes that permit measurement and certification by an RYA Sail Measurer is also available at the bottom of the page. RYA staff that are also Sail Measurers are highlighted in **green**.

If you are a RYA Sail Measurer and your details are not included on this list, please contact technical@rya.org.uk.
