Parking arrangements

Free parking is available on-site. A team member will direct you to suitable spaces on arrival. Four accessible bays are located near the entrance and networking area. These cannot be reserved as the site has other users on the day, but we will do our best to accommodate advance requests.

Where is the nearest train station?

Nearest station is Sholing a 5-min drive

Other options are Southampton Central a 20-min drive, or Southampton Airport Parkway a 15-min via M27 Junction 8

Where is the nearest bus stop?

Closest stop is St Annas Road a 3-min walk from Sholing station.

Other nearby stops are Ashley Crescent a 4-min walk, served by X4 and X5 or Portsmouth Road a 10-min walk, served by routes 7 and 10

The venue

Entrance and registration location

Keep to the right of the steps leading to main academy entrance and follow the wide paved slope to the glazed double door entrance for the conference space. These doors are step free, manually operated and lead to the conference reception and networking space.

Networking space

Located just inside the main entrance. This open area hosts displays, refreshments, and lunch. The Plenary room is at the back and breakout rooms to the right.

Main Plenary

Step-free access via double doors to the Theatre at the back of the networking space. Seating includes tiered and front-row chairs with wheelchair space. There is a large display for visuals, a built-in hearing loop and microphones will be used.

Break out areas.

You will find the Forums, Learn from and Workshops sessions in the breakout rooms located off a U-shaped corridor to the right of the networking space. All rooms are step-free and set up in Theatre, Cabaret, or Classroom styles using Smartboards but no microphones.

WC

There are WC blocks on the left and right on the networking area with accessible facilities and shared sinks. An extra accessible WC is near the entrance. There are no steps. An access pass will be provided upon request for accessible WC facilities.
